

## **VOLUNTEER FIELD COORDINATOR/CO-WORKER TO KENYA WITH LOVE**

To Kenya With Love (TKWL) is a UK Christian charity that works to significantly transform the lives of children in Kisumu, the third largest city in Kenya, where levels of poverty are amongst the highest in the country.

We do this by providing an education, which otherwise they would not be able to afford, thus giving them a better chance of gaining employment and eliminating poverty. Our aim is to give our children an excellent, well-balanced, education within the school day, giving them time to play, be with their families and to be children. TKWL has its own nursery and primary school in the slum area of Manyatta. Most sponsored children attend our Primary school and most then move on to High School and College.

As well as providing an excellent academic education, we also strive to ensure that the children are taught, encouraged and provided for in all aspects of their lives, including their physical, emotional, mental and spiritual health.

We are seeking an additional field worker to work alongside our existing field coordinator in co-managing and overseeing the sustainable delivery and development of the core mission of TKWL, including its education provision and related community support.

This opportunity requires self-funding and would be subject to enhanced DBS clearance. TKWL is only able to directly test the calling of those who are rooted in UK churches.

For more information about this opportunity, please contact Janet Newberry (Chair of Trustees) at [tkwl@aol.com](mailto:tkwl@aol.com).
